## Retiree Council #23

presents

# 9/11 Memorial & Museum

Monday, November 30, 2015

### Join fellow Retirees & Friends for an Outstanding Experience!

Board the bus to New York City and the **9/11 Memorial & Museum** at the site of the World Trade Center. The **Museum** honors the memory of those killed in the terrorist attacks of September 11, 2001 and the February 26, 1993 World Trade Center bombing. Sitting within the footprints of where the Twin Towers once stood, twin reflecting pools feature the largest manmade waterfalls in the North America. On display are artifacts associated with the events of 9/11, while presenting stories of loss and recovery. The day will conclude with a visit to Little Italy for shopping and lunch on your own, followed by a professionally guided bus tour through **Little Italy, Chinatown and Lower Manhattan**.
