# "Essex Steam Train & Boat Ride"

Thursday, October 23, 2014

*Join fellow Retirees & Friends for an unforgettable Connecticut day!*

- **Essex Connecticut -**

If time allows we will visit the town of Essex. A small river town with the population of 6,500 and has been dubbed "The Perfect Small American Town." It offers some of the finest colonial and federal architecture, now home to a unique blend of private residences, antique shops, specialty boutiques and much more

- **Lunch - Famous Griswold Inn -**

One of the oldest continuously operated inns in the country. The Griswold Inn opened its doors for business in 1776 and has been catering to yachtsmen and overland travelers ever since. It's located in historic Essex, nestled on the banks of the Connecticut River.

- **Essex Steam Train & Boat Ride -**

Enjoy a two and a half hour, narrated steam train and riverboat excursion through the Connecticut River Valley. You will board vintage rail cars pulled by an authentic steam locomotive. The train travels through the countryside to Deep River Landing, where you are escorted onto the "Becky Thatcher" Riverboat. One hour cruise along the Connecticut River you will delight in breathtaking scenery and view historic landmarks such as Gillette's Castle and Goodspeed Opera House. When "Becky Thatcher" returns to Deep River Landing, the steam train welcomes you the return trip to Essex Station.
